MEMORANDUM FOR THE RECORD

25X1A

SUBJECT: Regulation [REDACTED]

25X1A9a

25X1A

1. I met with Mr. Baird and [REDACTED], at Mr. Baird's request, to discuss [REDACTED]. As a result of this meeting, Mr. Baird indicated that we will not go forward with the redraft of [REDACTED] but we will retain it. Since [REDACTED] memo doesn't imply any suspense on this, it is possible we will not again hear of [REDACTED]. The basic reason for this decision is that we can exist with [REDACTED] as it presently is written, whereas the redraft has raised a number of problems which need not be brought to a head at this time.
